### 08.1 Staff

#### Employment

- We work towards offering equality of opportunity by using non-discriminatory procedures for staff recruitment and selection.
- All our staff have job descriptions, which set out their roles and responsibilities.
- We welcome applications from all sections of the community. Applicants will be considered on the basis of their suitability for the post, regardless of disability, gender reassignment, pregnancy and maternity, race, religion or belief, sexual orientation, sex, age, marriage or civil partnership. Applicants will not be placed at a disadvantage by our imposing conditions or requirements that are not justifiable. We follow the requirements of the Early Years Foundation Stage and Ofsted guidance on checking the suitability of all staff and volunteers who will have unsupervised access to children. This includes obtaining references and ensuring they have a satisfactory enhanced criminal records check with barred list(s) check through the DBS. This is in accordance with requirements under the Safeguarding Vulnerable Groups Act (2006) and the Protection of Freedoms Act (2012) for the vetting and barring scheme.  
Where an individual is subscribed to the DBS Update Service we carry out a status check of their DBS certificate, after checking their identity and viewing their original enhanced DBS certificate to ensure that it does not reveal any information that would affect their suitability for the post.
- We keep all records relating to the employment of our staff and volunteers; in particular those demonstrating that suitability checks have been done, including the date of issue, name, type of DBS check and unique reference number from the DBS certificate, along with details of our suitability decision.
- Our staff are expected to disclose any convictions, cautions, court orders, reprimands and warnings which may affect their suitability to work with children – whether received before, or at any time during, their employment with us.
- For existing members of staff, we ensure their DBS is registered with the update service and this is checked and updated annually.
- Where we become aware of any relevant information which may lead to the disqualification of an employee, we will take appropriate action to ensure the safety of children. In the event of disqualification, that person's employment with us will be terminated.

#### *Notifying Ofsted of changes*

- We inform Ofsted of any changes to our Registered Person (trustees/ our provision) and/or our manager.

#### *Training and staff development*

- Our manager and deputy hold the CACHE Level 3 Diploma for the Children and Young People's Workforce or an equivalent qualification and at least half of our other staff members hold the CACHE Level 2 Certificate for the Children and Young People's Workforce or an equivalent or higher qualification.
- We provide regular in-service training to all our staff
- Our budget allocates resources to training.
- We provide our staff with induction training in the first week of their employment. This induction includes Health and Safety Policy and Safeguarding Children and Child Protection Policy. Other policies and procedures are introduced within an induction plan.
- We support the work of our staff by holding regular supervision meetings and appraisals.
- We committed to recruiting, appointing and employing staff in accordance with all relevant legislation and best practice.

#### *Staff taking medication/other substances*

- If a member of staff is taking medication which may affect their ability to care for children, we ensure that they seek further medical advice. Our staff will only work directly with the children if medical advice confirms that the medication is unlikely to impair their ability to look after children properly.
- Staff medication on the premises will be stored securely and kept out of reach of the children at all times.
- If we have reason to believe that a member of our staff is under the influence of alcohol or any other substance that may affect their ability to care for children, they will not be allowed to work directly with the children and further action will be taken.

### *Managing staff absences and contingency plans for emergencies*

- Our staff take their holiday breaks when the setting is closed as far as possible. Where a staff member may need to take time off for any reason other than sick leave or training, this is agreed with our manager with sufficient notice.
- Where our staff are unwell and take sick leave in accordance with their contract of employment, we organise cover to ensure ratios are maintained.
- Sick leave is monitored and action is taken where necessary, in accordance with the individual's contract of employment.
- We have contingency plans to cover staff absences.

### **Deployment**

Members of staff are deployed to meet the care and learning needs of children and to ensure their safety and well-being at all times.

- Two members of staff are on the premises before children are admitted in the morning and the end of the day; one of which should be the manager or deputy.
- Only those staff aged 17 or over are included in ratios. Staff working as apprentices (aged 16 or over) may be included in the ratios if the setting manager is satisfied that they are competent and responsible.
- At least one Paediatric First Aider must be on site at all times when children are present
- The setting manager deploys staff to give adequate supervision of indoor and outdoor areas, ensuring that children are usually within sight and hearing of staff and always within sight or hearing of staff at all times.
- All staff are deployed according to the needs of the setting and the children attending.
- In open plan provision, staff are positioned in areas of the room and outdoors to supervise children and to support their learning.
- Staff are responsible for ensuring that equipment in their area is used appropriately and that the area is tidy at the end of the session.
- Staff plan their focus on activities
- Staff inform colleagues if they have to leave the room for any reason.
- There are generally two members of staff outside in the garden when it is being used, one of whom supervises climbing equipment that has been put out.
- The setting manager may direct other members of staff to join those outside, if the numbers of children warrant additional staff.
- Staff focus their attention on the children at all times whilst having a wider awareness of what is happening around them.
- Staff do not spend working time in social conversation with colleagues.
- Staff allow time for colleagues to engage in 'sustained shared interaction' with children and do not interrupt activities led by colleagues.
- Sufficient staff are available at story times to engage children.

### **Staff children**

- Where members of staff have their own children with them at the setting, the age of the child must fall within the stipulated ages of the setting's Ofsted registration.
- Where members of staff are likely to be working directly with their own children, this is subject to discussion before commencement with the setting manager.
- Where it is agreed that a member of staff's child attends the setting, it is subject to the following:

- the child is treated by the parent and all staff as any other child would be
- the child will not be in the parent's key group of children
- the key person and parent will work towards helping the child to make a comfortable separation from the parent to allow the parent to fully undertake their role as a staff member of the setting
- the key person will take responsibility for the child's needs throughout the day, unless the child is sick or severely distressed
- time and space are made for the parent to breastfeed during the day, if that is their chosen method of feeding
- the situation is reviewed as required, to ensure that the needs of the child are being met, and that the parent is able to fulfil his/her role as a member of staff

If it is the setting manager's child, then their line manager ensures the criteria above is met

## 08 Staff, volunteers and students procedures

### 08.2 Deployment of volunteers and parent helpers

Volunteers and parent helpers are always under the supervision of a permanent member of staff. They are not included in staff ratios, or as the two members of staff needed on the premises before children are admitted in the morning or at the end of the day. (*This can be removed for sessional settings, who operate with 2 or 3 members of staff where the volunteer helper enables the session to run, while the play leader in charge finds cover staff.*)

- The setting manager ensures that volunteers and parent helpers are deployed to assist permanent staff.
- Volunteers and parent helpers assist staff in ensuring that the equipment in their designated area is used appropriately and that it is left tidy at the end of the session.
- Volunteers and parent helpers give additional support for busy areas or to track or observe children.
- Volunteers and parent helpers inform colleagues where they are going if they leave the room at any time.
- Volunteers and parent helpers do not have unsupervised access to children; they do not take them into a separate room for an activity or toileting and do not take them off premises.
- Volunteers and parent helpers are deployed in addition to two members of staff in the garden/outdoor area when in use.
- The setting manager can direct volunteers and parent helpers to join those outside if the numbers of children warrant additional numbers of staff available.
- Volunteers and parent helpers focus their attention to children at all times.
- Volunteers and parent helpers do not spend time in social conversation with colleagues while they are with children.
- Volunteers and parent helpers allow time for colleagues to engage in 'sustained shared interaction' with children and do not interrupt activities led by colleagues.
- Sufficient volunteers and parent helpers are available to support staff at story times.

### 08.3 Student placement

Qualifications and training make an important contribution to the quality of care and education. As part of our commitment, we may offer placements to students undertaking relevant qualifications/training. We aim to provide students experiences that will contribute to the successful completion of their studies and provide examples of quality practice in early years care and education.

- The setting manager ensures that students meet the 'suitable person' requirements.
- The setting manager discusses the aim of the placement with the student's tutor prior to the placement commencing. The expectations of both parties are agreed at this point.
- The good character of students under 17 years old is vouched for by the establishment that places them, the setting manager must be satisfied that all relevant checks have been made.
- Students do not have unsupervised access to children.
- Students and apprentices who are undertaking L3 or above may be counted in ratios if the setting manager is convinced that they are suitably experienced.
- Employed trainee staff over the age of 17 may be included in staffing ratios if deemed competent.
- Staff working as apprentices (aged 16 or over) may be included in staffing ratios if deemed competent.
- Public liability and employer's liability insurance is in place that covers students and voluntary helpers.
- Students are aware of confidentiality.
- Student induction includes how the setting and sessions are managed, and policies and procedures, in particular safeguarding, confidentiality and health and safety.
- Appropriate members of staff co-operate with students' tutors to assist them in fulfilling the requirements of their course of study.
- The setting communicates a positive message to students about the value of qualifications and training.
- The needs of the children and their families remain paramount at all times and students are only admitted in numbers that do not hinder the work of the setting.
- The setting manager ensures that students and trainees on placement are engaged in bona fide early years training, which provides the necessary background understanding of children's development and activities.
